The Westland & Yeovil District Aeromodelers are looking for another flying field; we need

- At least of ½ acre of grass to fly from
- Access for cars to within about 200yds
- Set in ~5 acres free from houses, overhead cables, & tall trees

To reassure you :-

- Safety is our primary concern
- Noise peaks at about the same as a petrol strimmer
- Flying times can be negotiated

To please the Bank Manager :-

- Field can be shared with other users
- Surrounding area can be crops / livestock etc
- Rental and term negotiable
